MADE IN USA · PRODUCT CERTIFIED

INDUSTRIES

Welcome to Quick Ship, IAC's speedy procurement system.

Products ordered from this catalog are shipped on, or before, the fifth working day (quantities of 10 or fewer) after receiving an order. The Quick Ship collection is based on IAC's most popular products and accessory options.

IAC products are proudly made in California, USA, and are the finest industrial furnishings and productivity equipment available.

To Order please call 714.990.8997

* Due to printing limitations, some color swatches represented in this catalog may not accurately match true paint color.
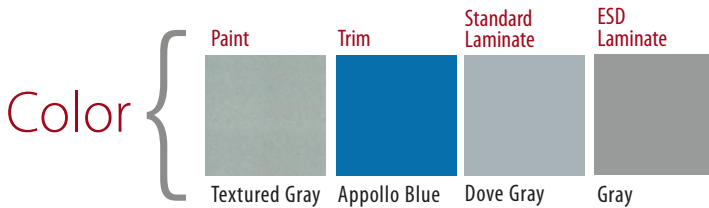

Dimension 4 Modular Workstations

Dimension 4 workstations are fully adjustable, enabling each worker to set up footrests, shelving, worksurface and other components for personal comfort and efficiency.

The Single Sided Starter is the first building block for the single sided system. You will receive two uprights and a worksurface assembly with 180° rolled front edge. ESD worksurfaces and options are available.

Infinite height adjustment— worksurfaces and options.

Single Sided Starter

60″ Single Sided Starter with Options

Options Shown:

- Light Fixture
- Tool Trolley
- 12″ Shelf
- Parts Cup Stringer
- Electrical Channel
- Flat Panel Display Arm
- FPD Keyboard/Mouse Holder
- Swing Arm Pegboard
- 6″ Drawer (includes lock)
- 12″ Drawer (includes lock)
- CPU Holder
- Footrest Tube
- Foot Pan

Pro Series Adjustable Height Workbenches

The ergonomically designed 930/940 Pro Series delivers the efficiency and convenience of height adjustability at a remarkable price. We've engineered these workbenches for quality performance. A cantilever support system, housing the hydraulic lifters, provides maximum leg room, while the bolted steel channel frame delivers a full 500-pound evenly-distributed load capacity. You can easily move up or down to the efficient functionality of a height adjustable worksurface.

Features:

- 12-inch adjustment range, from 30″ to 42″ worksurface height
- 1-1/4″ thick worksurface with 180° rolled front edge for comfort. Surfaces are available in Standard or ESD laminate, with a wide variety of colors.
- Welded steel frame, finished in a choice of durable, baked-on powder-coat paint.
- Available options for suspended drawers/cabinets, electrical channels, and upper utility structures with shelving and lighting offer endless configurations.

Options Shown:

- MTS-I
- Light Fixture
- Tool Trolley
- 12″ Shelf
- Multi Bin Panel
- Electrical Channel
- Swing Arm Pegboard

930 Pro Series

Height adjustment is manually controlled by a rotating hand crank positioned on the right or left side under the worksurface support frame and . The crank handle folds out of the way when not in use.

940 Pro Series

Height adjustment is electrically actuated via Up/Down pushbuttons. This controller is positioned on the right or left side, under the worksurface support frame.

Multi-Task System Upper Structure

The Multi-Task System enables users to configure above-the-worksurface storage and options on an existing workbench. Perfect for upgrading on a budget!

The MTS is available in two models: MTS-I with three uprights for side-by-side shelves and options, and MTS-II with two uprights that allow full width shelves and options. Each twelve-gauge steel, double slotted upright is 48" x 2" wide x 1–7/8" deep. Heavy gauge, steel c-clamp mountings provide secure fastening to the worksurface with heavy duty thru-bolts. MTS upper structures will fit most benches, provided there is a clear 1.5" overhang in the rear.
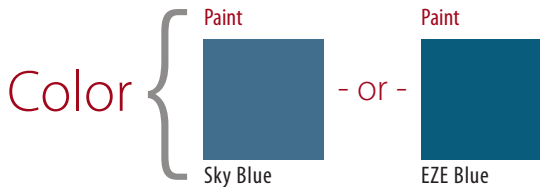

Drilling and inserting will be required (a template will be supplied). If detailed specifications are required, please consult the factory.

MTS-I models provde three uprights for side-by-side mounting of half-width shelves and optional accessories

MTS-II models feature two uprights that allow full width shelves and optional accessories

Color { Paint — Sky Blue — or — Paint — EZE Blue

MTS-I Upright Structures

- 3 posts provide 2 side-by-side racks
- 16 gauge tie beam at top of frame system
- Mounts to a 1.25" or 1.75" work surface
- Half length options are easy and convenient to adjust from shift-to-shift as needed
- Options can be aligned or independently adjusted for maximum flexibility
- Double slots allow all options to adjust in 1" increments
- Template included with upright package
- Retrofits to most other workbenches

Pre-Configured Packaging Stations
Get Productive Fast. Everything You Need for Quick Deployment.

Packaging Station

Shipping/Receiving Station

Mobile Packaging Accessory Station

Color {

Paint — Soft Gray

Laminate — White

We've seen what our customers like to build for themselves, so we've taken the liberty of sharing a few of the most popular configurations with you. These component combos form three super-functional packaging/shipping workhorses. And they couldn't be simpler to order; there's just a single part number for each. Chances are that one of these preconfigured models will suit you well. But if not, simply turn the page and build one configured just for you.

Packaging Station

Includes:
- Packaging Station Bench
- LT Light Fixture
- 12″ Shelf with Backsplash and 6 Dividers
- 6″ Shelf with Backsplash
- Upper Paper Roll Holder
- Electrical Channel
- Middle Shelf
- Lower Shelf with 4 Dividers

Packaging Stations

PS Series—Bench style for seated or standing users. Telescoping legs provide worksurface height adjustment ranging between 30 to 36 inches in 2-inch increments. Impact- and chemical-resistant worksurface features with 180° rolled front edge for comfortable use. Shown with multiple options.

Packaging Accessory Stations

PAS Series—Go mobile and roll the PAS adjacent to existing workbenches and conveyors to provide access to packaging materials, electrical outlets, tools, labels, books, manuals and more. Integrated 4-inch locking caster wheels are standard. Shown with multiple options.

Basic Packaging and Packaging Accessory Stations

Packaging Station Bench (PS)

- Weight Capacity: 1000 lbs. evenly distributed
- Steel frame finished with powder coat paint
- Industrial-grade, low-glare laminate worksurface with 180° rolled front edge
- Uprights constructed of 1-5/8″ heavy-duty square channel with 250 lbs. evenly distributed overall weight capacity

COLOR	DIMENSIONS	SHIP. WT.	PART NUMBER
(MD) Soft Gray **Laminate: White**	30″D x 60″L	125 lbs.	**QS-00230-5001**

	36″D x 72″L	144 lbs.	**QS-00230-5004**

Packaging Accessory Station (PAS)

- Weight Capacity: 250 lbs. evenly distributed
- Steel frame finished with powder coat paint
- Stand-up height (SU)
- Set of 4″ plate-mount casters with wheel locks

COLOR	DIMENSIONS	SHIP. WT.	PART NUMBER
(MD) Soft Gray	60″L x 84″H SU	58 lbs.	**QS-00230-8212**
	72″L x 84″H SU	68 lbs.	**QS-00230-8213**

PS Bench Options

	COLOR	DIMENSIONS	SHIP. WT.	PART NUMBER
Middle Shelf Assembly				
• Mounts directly beneath the worksurface with 6-in. vertical clearance for storage of flat items, supply trays, etc. (not for use on benches where personnel require knee clearance for sitting) • Includes a 3-in. back panel • Includes bracket kit to attach shelf to bench legs	**(MD) Soft Gray**	12″D x 60″L Middle Shelf Assembly	20 lbs.	**QS-01261-1260**
		12″D x 72″L Middle Shelf Assembly	25 lbs.	**QS-01261-1272**
Slide-Out Universal CPU Holder				
• Safely suspends the CPU beneath the worksurface; Saves valuable workspace • Slide mechanism permits easy access to CPU • Keeps CPU off of floor for easier housekeeping • Rugged metal construction; durable powder coated paint finish • Not for use with Middle Shelf Assembly	**Textured Black**	Will handle CPU up to 10″ wide x 22″ high.	14 lbs.	**QS-01620-1917**
Lower Shelf Assembly				
• Mounts to cross-beam supports between bench legs (not for use with Lower Paper Roll Holder) • Accepts mounting of Shelf Dividers (below) in 6″ increments (maximum of 7 dividers for 60″ shelf and 9 dividers for 72″ shelf) • Weight Capacity: 75 lbs. evenly distributed	**(MD) Soft Gray**	22″D x 60″L Lower Shelf Assembly	35 lbs.	**QS-01262-2260**
		22″D x 72″L Lower Shelf Assembly	40 lbs.	**QS-01262-2272**
Lower Shelf Divider				
• Mounts to Lower Shelf Assembly (see shelf specifications, above) • May also be used as shelf end caps	**(MD) Soft Gray**	13″H x 18″D Lower Shelf Divider	2 lbs.	**QS-08402-1318**
Lower Paper Roll Holder				
• Mounts to cross-beam supports between bench legs (not for use with Lower Shelf Assembly) • Accommodates rolls to 27″ dia. (depending on worksurface height) • Weight Capacity: 50 lbs.	**(MD) Soft Gray**	60″L Lower Paper Roll Holder (holds rolls up to 52″L)	12 lbs.	**QS-01620-1760**
		72″L Lower Paper Roll Holder (holds rolls up to 64″ long)	15 lbs.	**QS-01620-1772**
Leg Extender Caster Kit				
• 4 leg extenders per kit • 4 locking wheel casters • With Casters installed, worksurface height begins at 34.25″.	**(MD) Soft Gray**	Leg Extender 4″ Caster Kit	18 lbs.	**QS-08713-0101**

Common Options – PS & PAS

	COLOR	DIMENSIONS	SHIP. WT.	PART NUMBER
Upper Paper Roll Holder • Adjusts up and down along uprights and in/out from 1″ to 9″ (from face of upright to center of roll) • Weight Capacity: 50 lbs.	**(MD) Soft Gray**	60″L Upper Paper Roll Holder (holds rolls up to 52″L)	12 lbs.	QS-01620-1660
		72″L Upper Paper Roll Holder (holds rolls up to 64″ long)	15 lbs.	QS-01620-1672
Flat Panel Display Support Rail • Flat Panel Display bracket can be manually positioned anywhere along the rail • Universal display mount complies with VESA MIS-D 100/75mm interface standards	**(MD) Soft Gray**	60″	21 lbs.	QS-01620-1922
		72″	28 lbs.	QS-01620-1923
Parts Cup Rail • Adjusts up/down and in/out; accepts standard parts cup and other accessories	**Textured Black**	60″	10 lbs.	QS-01620-1860
		72″	14 lbs.	QS-01620-1872
Electrical Channel • Four (4) 15-amp, 60-Hz duplexes • Includes 15-amp circuit breaker and 8-ft. molded power cord	**(MD) Soft Gray**	52″L Electrical Channel (fits 60″ bench)	15 lbs.	QS-02241-6000
		64″L Electrical Channel (fits 72″ bench)	17 lbs.	QS-02241-7200
LT Light Fixture • Accepts two (2) T8 Tube lights (not included) • 48″ light mounted to a 60″ or 72″ support structure • Includes 8-ft. power cord with switch • Built to rigid UL and NEC standards	**(MD) Soft Gray White fixture**	60″ LT Light Fixture	35 lbs.	QS-01620-1960
		72″ LT Light Fixture	40 lbs.	QS-01620-1972
Upper Shelf Assembly • Mounts to upright assembly with brackets that double as shelf end caps • Accepts mounting of Shelf Dividers in 6″ increments (maximum of 9 dividers for 60″ shelf and 11 dividers for 72″ shelf) • Weight Capacity: 100 lbs. evenly distributed • Powder coat paint finish	**(MD) Soft Gray**	12″D x 60″L x 6″H	20 lbs.	QS-01264-1260
		12″D x 72″L x 6″H	25 lbs.	QS-01264-1272
		12″D x 60″L x 12″H	25 lbs.	QS-01260-1260
		12″D x 72″L x 12″H	30 lbs.	QS-01260-1272
Upper Shelf Backsplash • Mounts to back of Upper Shelf Assembly to prevent supplies from falling off shelf's back • Powder coat paint finish	**(MD) Soft Gray**	60″L x 6″H	3 lbs.	QS-01263-4060
		72″L x 6″H	4 lbs.	QS-01263-4072
		60″L x 12″H	3 lbs.	QS-01263-3060
		72″L x 12″H	4 lbs.	QS-01263-3072
Upper Shelf Divider • Mounts to Upper Shelf Assembly for sorting and organizing supplies (see shelf specifications, above) • Powder coat paint finish	**(MD) Soft Gray**	12″D x 6″H	2 lbs.	QS-08402-0612
		12″D x 12″H	2 lbs.	QS-08402-1212

Common Options – PS & PAS (continued)

Clip Portrait Document Holder	COLOR	DIMENSIONS	SHIP. WT.	PART NUMBER
• Swing arm pivots at bracket and at pan for maximum position options; can be positioned anywhere up and down the uprights • Clip and bottom lip hold documents in place	**(MD) Soft Gray pan Textured Black bracket**	12˝W x 14˝H Document Holder	15 lbs.	**QS-01620-1904**

CRT Swing Arm Platform and Keyboard Holder				
CRT Swing Arm Platform • Platform rotation allows wide range of monitor locations • Weight Capacity: 25 lbs. • Edged in Black T-mold	**Laminate: LoGlare White**	CRT Swing Arm Platform 15˝W x 15˝D x 1.25˝ Thick	20 lbs.	**QS-01620-1910**
Keyboard Holder • Mounts to CRT Swing Arm Platform (QS-01620-1910) • Accommodates most extended keyboards and mouse	**(MD) Soft Gray**	Keyboard Holder 25˝W x 8˝D Keyboard Holder	12 lbs.	**QS-01620-1915**

Flat Panel Display Arm and Keyboard/Mouse Holder				
Flat Panel Display Swing Arm • Provides positioning in two planes for optimum viewing angles • Universal display mount complies with VESA MIS-D 100/75mm interface standards	**Textured Black**	Flat Panel Display Arm 26˝ Fully Extended	18 lbs.	**QS-01620-1916**
Keyboard/Mouse Holder • This keyboard holder mounts to the Flat Panel Display Arm shown above. It adjusts up and down and includes comfortable angle adjustment. Tray is supplied with a mat to secure both the keyboard and mouse.	**Textured Black**	Keyboard/Mouse Holder 22˝W x 8.5˝D (keyboard tray)	10 lbs.	**QS-1022918**

Smart Mobile Stations

**See these Mobile Processing Stations and more Smart Mobile Station carts on the next page.**
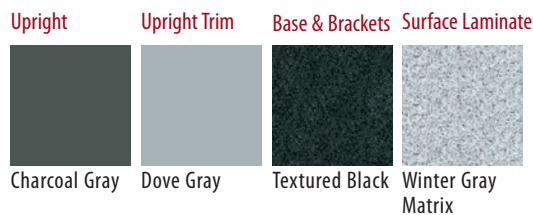

Smart Mobile Stations

The perfect partner to speed tasks in a wide variety of business environments.

- scanning
- order picking
- inventory control
- diagnostics
- stocking
- printing
- weighing
- testing

SMS carts are specialized, function-forward hybrids of the award-winning Dimension 4 workstation, rolling cart, and storage products. They combine the sophistication and unsurpassed quality of Dimension 4 design, scaled down for a very personal and mobile interaction. And they are strong! The Main Worksurface (top) supports 150 lbs., and the Bottom Shelf supports another 100 lbs. SMS Carts embody the IAC focus on ergonomics, and fit within any lean strategy (5S, Lean Manufacturing and/or Six Sigma). In short Smart Mobile Stations are the most functionally useful and versatile carts you can find.

Strong and rigid, yet lightweight, extruded aluminum upright

Up to 10x 110AC outlets with master switch

Continuous position channels for infinite component height adjustment

Cable Management Channel

Ergonomically positioned guide handles

12″ Locker

Laminated workspace surfaces

8 ft. Power Cable with Storage Bracket

No-mar polyurathane caster wheels with locking brakes

Terms and Conditions

Orders placed directly with the factory are due and payable net 30 days. The F.O.B. point is our factory in Brea, California, and shipments are freight collect or 3rd party billing. The minimum order amount is $100.00 net, and all cancelled orders are subject to a cancellation charge of up to 25% of the original order amount.

"Quick Ship" five-day shipments will ship on or before the 5th working day ARO. Change orders received after 48 hours will not be accepted on five-day shipment orders. Five-day shipment is subject to availability.

Shipment

In order to achieve the most economical cost for the transportation of your work stations, the product is shipped K.D.F. (knocked down freight), which means that it will arrive disassembled and palletized ready for assembly.

Damage in Transit

For your protection, examine each shipment carefully for external damage. If there is any evidence of damage or shortage in transit, insist that the delivery carrier make appropriate notation on the freight bill before you sign anything. If, after receipt, any internal (or concealed) damage is discovered, immediately notify the carrier and request an inspection report to support your claim. Claims for damage or shortage in transit must be filed with the delivery carrier. IAC industries will not accept any return of merchandise that has been damaged in transit. **YOUR RECOURSE IS WITH THE DELIVERY CARRIER.**

Packaging

Our packaging does not contain ODC's.

Return Merchandise

No goods are to be returned to IAC Industries without written factory authorization. A handling charge of 25% or $50.00, whichever is greater, will be charged on all merchandise returned.

Specifications

IAC Industries reserves the right to make changes at any time, without notice, in color, prices, materials, equipment, specifications, and models. Although every effort has been made to insure the accuracy of all information contained in this brochure, IAC Industries cannot be held responsible for any omissions or errors in printing. Please check with your local IAC representative, or contact the factory direct, for the most complete and up-to-date information before ordering.

Warranty

IAC Industries' products are warranted to the original user to be free from defects in design, material and workmanship, given normal use and care, for a period of ten (10) years of single shift service, from the date of purchase.

With the exceptions noted below, IAC Industries, at its option, will repair or replace any product or part thereof which fails as a result of such a defect during the following warranty periods. (Pro-rated for multi-shift use.)

All IAC Industries' products (except as noted) . . . . *Ten years*

Operating components, functional mechanisms, high-wear
parts such as chair pneumatic cylinders and casters. . . . . *Five years*

Wood or wood/metal framed products . . . . *Two years*

Textiles, covering materials, foam, finishes, exposed wood, fabrics, laminates,
electrical components, and bench height adjustment cylinders and components . . . . . . *One year*

Exclusion – HEPA filters (all HEPA filters are inspected, installed, and
tested at the factory and are certified to meet Federal Standard 209E).

This warranty is limited to the replacement and/or repair only, of such defective part(s) authorized in writing to be returned to IAC Industries with transportation charges and costs prepaid by the purchaser, and provided that examination by IAC Industries discloses such defect. In no way shall IAC Industries be responsible for any damage caused by the carrier, abuse, negligence, misuse, user modifications, or customer's material. IAC Industries does not warrant the matching of color, grain, or texture.

Options, component parts, and laminates not manufactured by IAC Industries are warranted only to the extent of the original manufacturer's warranty.

IAC Industries will not accept unauthorized charges for expenses (i.e. labor and freight) incurred by the customer. Products which have been repaired or altered by anyone other than IAC Industries; or without IAC Industries' written authorization; or in IAC Industries' judgment have been subject to misuse, neglect, or accident; or use outside specifications by purchases; or others are excluded from this warranty.

This warranty is in lieu of any other expressed or implied warranty, including any implied warranty of merchantability or fitness for a particular purpose, tand of any other obligations or liability on the part of IAC Industries.
